To Potential Donors:

We sure could use your help! Circle of Hope is requesting donation items for our silent auction at our upcoming Vine 2 Wine Classic on August 15, 2015.

Circle of Hope needs your assistance, and any donation you can make to this great cause would be greatly appreciated. The Vine 2 Wine Classic will held at the City of Santa Clarita Activities Center from 6:00 to 10:00 p.m. and will include tasting from a wonderful selection wineries and craft breweries, along with food, live entertainment, auctions and much more!

Circle of Hope is a local 501(c)(3) non-profit organization. Circle of Hope provides financial, emotional and educational assistance to individuals diagnosed with cancer. Our focus is on helping those individual's with their treatment and medications, in addition to assisting with COBRA payment during treatment. We also assist in second opinions for individuals which are not covered by most insurance. Circle of Hope has been providing services to thousands of Santa Clarita Valley residents since 2004. We help our clients with what they need to battle cancer—right here, right now! This and all the programs that Circle of Hope offers can only be made possible through generous donations from people like yourself in our community. 100% of the funds raised at our events stay in the Santa Clarita Valley. Clients must meet the criteria that they live, work or have their doctor in Santa Clarita.

One of our newest programs is Team P.I.N.K., which stands for Promote, Inform, Network and Knowledge. This program was launched to all of our local high schools and is geared towards educating them about cancer and giving support to those who have a family member with cancer. Circle of Hope Works with health teachers and administration to develop programs that educate and offer outreach programs regarding cancer. We also have a support group that meets the last Tuesday of every month.

To learn more about the many programs we offer please visit us at www.circleofhopeinc.org.

We cannot do this without your support and we are most appreciative of your consideration. Please let me know if you have any questions. If you are able to donate any item or service, we will be most happy to arrange a pick up from you at your convenience.

We thank you for your donation and your support.

Sincerely,

Ray Tippet
